Stewardship Campaign Update

Thank you to everyone who has taken the time to return a pledge card for our 2027 Stewardship Campaign. We typically receive 55–60 pledges each year, and we are pleased to have received approximately half of that number so far. Your generosity is deeply appreciated, and we encourage those who have not yet submitted their pledges to do so in the coming weeks.

We also invite you to consider participating in this year's Capital Campaign. These one-time gifts will help offset the cost of the unexpected expenses currently facing our church and support the continued care of our parish home.

We will celebrate the generosity and commitment of our congregation during our Thanksgiving celebration on November 22. If you have not yet submitted your 2027 stewardship pledge, please do so as soon as possible, preferably within the next two weeks. Pledge cards may be placed in the collection basket during Sunday services or mailed to the parish office.

Thank you for your continued generosity and faithful support. Your gifts of time, talent, and treasure sustain our church and make possible the many ministries, programs, and acts of service we carry out together throughout the year.

The Stewardship Committee

A Time to Listen, Reflect, and Discern

Dear Parish Family,

This Sunday, we are launching a parish-wide questionnaire to help your Search Committee gain a deeper understanding of our parish community—our experiences, perspectives, hopes, and aspirations—as we prepare to welcome our next Rector.

Please stop by the parish hall after either the 8:00 or 10:30 service this Sunday to pick up a printed copy of the questionnaire. If you are unable to attend services this Sunday, a copy will be mailed to your home next week.

We ask that you complete and return your questionnaire as soon as possible, preferably **by November 22**. Completed questionnaires may be mailed to or dropped off at the parish office.

Your voice matters. As we prayerfully reflect on who we are as a parish and discern the gifts, qualities, and leadership we seek in our next spiritual leader, it is essential that we hear from as many members of our congregation as possible. Your thoughtful responses will help shape our understanding of our parish's identity, strengths, and hopes for the future.

We encourage every parishioner to participate and share their perspective. Thank you for taking the time to contribute to this important work. We are grateful for your participation, your insights, and your prayers as we move forward together in faith and prepare for the next chapter in our parish's life.
