From Steve: Stewardship & Search updates

Stewardship Campaign Update

We are just one week away from the conclusion of our 2027 Stewardship Campaign! Thank you to everyone who has already made a pledge in support of our church and our Capital Campaign. Your generosity and commitment are helping make this year's campaign a great success.

If you have not yet returned your pledge card, we encourage you to do so by November 15. Pledge cards may be mailed, dropped off at the parish office, or placed in the Sunday offering baskets.

Thank you for your continued generosity and for all you do to support the life and ministry of our church!

Rector Search – Parish Questionnaire Reminder

Your Rector Search Committee is eagerly anticipating the results of our parish-wide questionnaire. These responses will provide valuable insight into who we are as a parish community, what we value, and what we hope for in the future as we seek our next Rector.

Questionnaires were distributed after services last Sunday and mailed to parishioners who were unable to attend. We encourage everyone to take the time to complete and return their questionnaire. Your thoughts, perspectives, and hopes are important, and every response will help inform our search for the spiritual leader who will guide our parish into the future.

Thank you for taking part in this important process and for sharing your voice!
